

Manual for The *Photographic Treatment* © Box

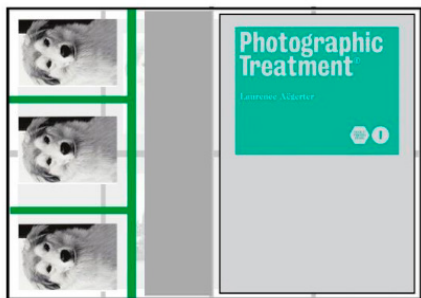

Place the grey foam plate at the bottom of the box.

Make 2 rows of 4 stacks. Use 9 pictures per stack and place them on the foam. You now have a total of 72 photos.

Place 3 piles of 9 pictures on the left side of the box, turn them 45 degrees. These are 27 blocks in total.

Place the 5 Photographic Treatment © books to the right side of the box.
Fill the hole with a strip of grey foam.

Close the lid of the box and press the magnets at the corners of the ends of the lid.
